Mrs. Tonya Bosca

AUG 10, 1954 - OCT 3, 2018

On Wednesday, October 3, 2018, Tonya Jo Bosca, dedicated wife, mother, daughter and sister, passed away unexpectedly at the age of 64.

Tonya will be forever remembered by her husband Donald, their children, Jason and Ryan, and her sister and brothers Colleen (Tom) Whiteman, Barry, Craig, and Bill BeVier. Tonya will also be remembered fondly by her brothers- and sisters-in-law David and Danny Bosca, Debbie (Phil) Bernhart and Diane King, future daughter-in-law Sonja Harasim and her many beloved nephews and nieces, especially Kayla and Tyler BeVier, Alice and Teresa King, Jenny and Jon Bernhart.

Tonya loved sharing food with friends and family, listening to music (especially when performed by her sons or Sonja), watching movies, volunteering, playing board, dice and cards and supporting her family and friends near and far. Her radiant smile and gentle laugh were a constant reminder of her kindness, compassion and generosity.

Tonya's generosity was boundless. She volunteered frequently and donated to numerous charities over the years. In lieu of gifts, the family asks that memorial donations be made to a charity of the donor's choosing.

I have so many memories of Tonya's kind heart, sweet personality, and her contagious laugh. I remember when Nicole was born she could not wait to have her firstborn. I will never forget when she told me she was pregnant with Ryan---Oh the JOY within her was amazing! My heart goes out to Don, Ryan, Jason, and all of the family. Prayers for strength during this difficult time for all of you!

Tonya and I used to go to these subdivisions of new homes that were still under construction, we would walk through and look through these homes back in 80's, she was such a good friend and sweet person.

Tonya was a loving, kind, and generous spirit who was always welcoming and fun to be around. Even on my first visit into the Bosca home at Christmastime, she told me that I was just like family. I will greatly miss her joyful smile and beautiful spirit.
