Tammy and the Johnson family was like family. Sis Wanda and them knew my brother "Fuse" aka L.D. before I got married. She had my wedding and baby showers at her house 25 years ago. Tammy did my hair and spoke wisdom and loved God. She was loved by the whole Lilly family! Love you and glad you are safe in his arms.

The photo selection truly captured the warmth and kindness of Tammy spirit. The love , laughter and compassion that was given freely to anyone that made contact with Tammy was God example of an angel in the flesh here on earth. Our prayers are with the family and may the comfort of the Lord rest upon each of you. Love You Jackie

Aunt Tammy was so much to so many. She taught my son James William's how to drive, she had patience like none other. When it was time for Josh to learn he didn't need her to teach him but she loved him just the same. I remember the last time we talked on her birthday 12/19, we laughed, we laughed and laughed some more. She's gone but will never be forgotten. I know Kayden, Mother and Deacon Johnson, Tori, Kylin and so many others will miss her a great deal but know that God will be there to comfort, strengthen and make it bearable for the days to come. I love the Johnson family and prayers going upYvette Brown
