## **LaDonna Black**

AUG 15, 1949 - MAR 13, 2019

**W**hen we are children, we are happy and gay  
And our Mother is young and she laughs as we play;  
Then as we grow up, she teaches us truth  
And lays life's foundation in the days of our youth.  
And then it is time for us wherever we roam;  
For all that she taught us and all that we did  
When we were so often just a "bad, little kid"  
We will often remember and realize  
That Mothers Are Special and Wonderfully Wise...

And as she grows older we look back with love  
Knowing that Mothers are "Gifts From Above"  
And when she "goes home" to receive her reward  
She will dwell in God's Kingdom and "Keep House  
For the Lord"  
Where she will "light up" the stars that shine  
Through the night  
And Keep Moonbeams "sparkling and bright."  
And then with the dawn, she will put the darkness away  
And the sun "scours" the sky to brilliance each day...

So dry tears of sorrow for Mothers Don't Die  
They just move in with God and "Keep House in the Sky;"  
And There in God's Kingdom, Mothers watch from above  
To welcome their children, with their undying love!
