A PICTURE
I only have a picture now,
A frozen piece of time,
To remind me of how it was,
When you were here, and mine.

I see your smiling eyes,
Each morning when I wake,
I talk to you, and place a kiss,
Upon your lovely face.

How much I miss you being here,
I really cannot say,
The ache is deep inside my heart,
And never goes away.

I hear it mentioned often,
That time will heal the pain,
But if I'm being honest,
I hope it will remain.

I need to feel you constantly,
To get me through the day,
I loved you so very much,
Why did you go away?

JAN 10, 1994 - APR 12, 2019

The angels came and took you,
That really wasn't fair,
They took my baby, my youngest Son,
My future life, one of My heirs.

If only they had asked me,
If I would take your place,
I would have done so willingly,
Leaving you this world to grace.

You should have had so many years,
To watch your life unfold,
And in the mist of this,
Watch me, your Mom grow old!

I hope you're watching from above,
At the daily tasks I do,
And let there be no doubt at all,
I really do love you.

Monte, gifted me with 10 years of genuine friendship. This is hurting and will for a while, if not for eternity. There's many beautiful things I could say about Monte. His encouragement eased me through many trials. His protection and his love was so pure and I was fortunate to be able to experience that. My deepest condolences to his family and friends. Thank you Monte, I love you.

God saw he was getting tired, And a cure was not to be, So he put his arms around him, And whispered "Come with me", With tearful eyes we watched him suffer, And saw him fade away, Although we love him dearly, We could not make him stay, A golden heart stopped beating, Hard working hands to rest, God broke our hearts to prove to us, He only takes the best, Although his heart stopped beating, His love will always remain, His absence puts upon our hearts, A very heavy strain, For now he is in a place of everlasting rest, We just have to understand that God, He only takes the best. Sending prayers filled with love and grace to entire family. Bobby & Carol McBride

WOW this is really a hard pill to digest bro. Monte where do I even begin. Every time we had something going on with the family you would come and then I be waiting for the jokes and stuff. Lil bro this one hurts like hell. I still can't get over it. May you REST IN PEACE. WE WILL SEE YOU AGAIN.
