## **Arlene F. Froding**

FEB 10, 1928 - APR 19, 2019

**A** mother's love is a wonderful love packaged from heaven with special care.  
A mother's love is like no other love that you can compare.  
A mother's love is purified by angels and flows directly from her soul.  
A mother's love is justified by God, and by his hands he created the mold.  
This mold that was shaped and fashioned by God has endured the test of time.  
This mold that was taped and recorded by women rang out like a heavenly chime.  
A mother's love is unconditional, and from her heart this can be told.  
A mother's love is nutritional; it is the fruit that feeds our soul.  
A mother's love 'IS' true love, and from her heart she cannot lie.  
A mother's love is eternal, the kind that won't ever die.  
A mother's love is the tie that binds, and her bond can never be broken.  
A mother's love is branded in our hearts, even when her words aren't spoken.
