My dear brother Mark, you were so talented and gifted as a young man and I was witness to it, and I will miss you so much! I am so thankful for your love and concern for me and others and most of all your prayers. I love you and will see you again soon at the resurrection when Christ Jesus returns in POWER and GLORY to take with him his bride, you and me and all who have placed their faith and love in our redeemer Jesus Christ. Thank you Lord for taking our place at Calvary where you paid the penalty for our sins because you loved us with a perfect love. Death could not hold you down because you were and are the perfect lamb of God without sin and perfect in SELF GIVING LOVE willing to give your life for mine that no one who loves your appearing should stay in the grave. I know Mark was fixing his eyes on you LORD and was so thankful for mercy, and understood the term grace and unmerited favor. Lord you are awesome in character which IS your glory Exodus 34 :5-9. I long to know you and love you deeper than ever before. Take my hand and lift us up, and thank you for never giving up on us or my dear brother Mark. I will love you always and forever. Our HOPE of eternal life is found only in and through you, praise and glory belong to you forever. Ps, watch over his family and his wife Robie.
