God Bless You bro! May you forever rest in heaven. I'm grateful to have told you how I appreciated you while you were here. When I nearly gave up Barbering, it was you that inspired me to put my clippers back to work. Heaven gained one of the coolest individuals I've ever known. Peace and Love Don

So sad to hear this. RIP Don, my friend, the best hair stylist I have ever known. You gave the best hair cut and would get me early Sunday morning when you were supposed to be off. When I left for Vancouver, Canada, I missed your services and anytime I stopped by TX, you would get me in between appointments. Thank you bud! We Loved you but God Loved you the most. We shall miss you! May the angels lead you into paradise; May the martyrs receive you at your arrival and lead you to the holy city. May choirs of angels receive you and may you have eternal rest. 🙏 Sal

This comes as a shock to me since I haven't been by the shop. Am deeply saddened but yet I know God Has reason for taking him at this particular time. May God give the family strength during this time and going forward hold them strong with understanding and love. I used to call him D , He is not only my friend but my brother who I knew for over 10 years. I will miss you D and May God test your soul in heaven

I remember when you were trying to look manly as a preteen,and you took my eyebrow pencil and drew you a light mustache and some side burns,that was hilarious,you did a pretty good job,you were a barber in the making

I hope that THE MOST HIGH brings all who are hurt & sadden, through this storm. May his children find some much-needed peace & strength during this time also. I personally send my condolences to family. Rest-Easy in Heaven Bro!
