Yesterday morning, my mom passed away. After fighting to recover the unrecoverable for four months after a catastrophic stroke (April 4) and a cerebral brain bleed (May 22), her body just couldn't fight any longer. My mom was such a strong woman. Overcoming breast cancer, and lung cancer in her too short lifetime. She was my best friend and my confidant and I will always miss her. She is survived by her husband, Arlen Smith, her mother, her sister, as well as, three children, five grand children and 2 great grandchildren. Her passing created a void in all of our lives and she will be forever loved and missed.

Dear Phranqui, this a voice from the past. We were pen pals when I went into the military in the 1950,s. Rest easy good friend and cousin. Al Ballinger

Fran was a loyal friend! I feel so fortunate to have had her in my life for over 30 years. When John and I were in San Antonio a few years ago, we went to see her and took her to lunch. She looked great and was so full of life. She talked about her family, whom she adored. We shared emails daily and I miss her terribly! She was a Christian, so I know where she is now..my deepest sympathy to all her loved ones.

Frances was truly a wonderful lady. Muroc School District was so fortunate to have her as an employee for so many years. She was always so kind and cheerful. You will be missed Frances. Rest in Peace.

Aunt Frances was a shining light in our family. She was always laughing and had those sparkling Marshall eyes. Carrie, you have done everything in a very stressful situation. Your mother had the best friend, daughter and caregiver that a mother could hope for. Our prayers are with your family.

Frances was a beautiful lady, inside and out. She loved life and was a great friend. She liked to play Bingo with her mother so I got to enjoy her. We will miss her. Sandy B.
