## **Lico Reyes**

APR 4, 1946 - AUG 20, 2019

**F**rederick B. Reyes is a Mexican-American actor and politician. Under the name Lico Reyes, he has appeared in movies, commercials and a variety of political campaigns, most notably as the Democratic nominee for the United States House of Representatives in Texas's 26th congressional district in 2004.

Don't grieve for me, for now I'm free,  
I'm following the path God laid for me.  
I took his hand when I heard his call,  
I turned my back and left it all.

I could not stay another day,  
To laugh, to love, to work, to play.  
Tasks left undone must stay that way,  
I've found that peace at the close of the day.

If my parting has left a void,  
Then fill it with remembered joy.  
A friendship shared, a laugh, a kiss,  
Ah yes, these things I too will miss.

Be not burdened with times of sorrow,  
I wish you the sunshine of tomorrow.  
My Life's been full, I savoured much,  
Good friends, good times, a loved one's touch,

Perhaps my time seemed all too brief,  
Don't lengthen it now with undue grief.  
Lift up your heart and share with me,  
God wanted me now, He set me free.

Lico and I met when I lived in Fort Worth, Texas. It is with much sadness that I learn of his passing while updating my dedication page for Amber Hagerman. You were a very talented man, Lico. I thank God for our meeting.

I knew Lico during my UTA years in the early 1970s. It was only on this date that I sadly learned of his passing in the alumni magazine. His bubbly, outgoing, and fun-loving personality made him a strong presence on the campus. He appeared to be involved in many activities. A few years ago, I happened to come across his name somewhere on the Internet. I subsequently made a LinkedIn connection. In retrospect, I regret not staying in touch earlier on. Please accept my condolences and cherish his wonderful life. Jeff Baker, February 20, 2020

In my memory he was a proud father. He always believed the best in me. He was very supportive. Very complimentary. He always offered to be there for me if I needed him. I'm very sad that because of my health I couldn't visit him at the hospital and I can't give my respect to him at his funeral. I have special memories of him in my mind and I hold him close to my heart so we are never really apart. I love you Dad. I miss you. XOXO Margaret

I am deeply sorry for your loss. I met your dad when I was a kid and had the pleasure of seeing him perform. His talent and presence left a lasting impression on me, and I always thought he was awesome. I'm reaching out regarding some matters related to his estate. It's not urgent, but it is important that we discuss it. Could you please let me know the best way to get in touch with you? You can call or text me at 817-813-4325. Thank you, and again, my heartfelt condolences. Sincerely, E. Frank

I will always remember seeing Mr. Lico at the Lulac Conventions with a smile and open heart. He was always doing impersonations and making people laugh. Also seeing him speak out at a Farmers Branch city council meeting about police brutality showed me how much of an activist he was. My condolences, and Rest In Power to a great man!
