Tim Ellis

OCT 30, 1959 - JAN 1, 2020

P eace I leave with you; my peace I give you. I do not give to you as the world gives. Do not let your hearts be troubled and do not be afraid. "You heard me say, 'I am going away and I am coming back to you.' If you loved me, you would be glad that I am going to the Father, for the Father is greater than I. I have told you now before it happens, so that when it does happen you will believe.

Betty Neild Puckett lit a candle in honor of Tim.

Tim was a good friend when we were in high school and at our church. He was a sweet man, and I'm so sad to just learn of his passing. Even though months have passed, my heart and prayers are with Tims family and his many friends. God bless you all and comfort you. I know we will all meet again one day. My deepest condolences.

So sad. Tim you'll be missed buddy. Tim was diagnosed with cancer the same time my wife was last year. My wife and I have been blessed with remission, and it fills me with sorrow to hear of Tim's passing. We shared treatment stores last Spring & Summer. What I recall was that he remained strong and positive through that trial. We'd tell him to stay home, but all he knew was to face up to the battle and power on. Tim was an asset to our team when I worked with him in 2018. He was one of the first people to send me a note and to come into my office when I joined Triumph. He truly cared. He cared with a passion, which made for entertaining times once in a while but always because he cared about doing the right thing. He'll be missed. Fly high brother, fly high :'(

In 2019 Karren came and was the "Tent Mom" to the umpires in the tournament. She and Tim Celebrated an anniversary while she was away. Tim came as a surprise and visited Karren the day after their anniversary. The love they showed to each other was obvious to all, and Tim was an amazing addition to the tournament, if only for a day. He was answering questions and lifting spirits as we all came off the field. My only regret is that I did not get to actually work with Tim on the field, and I only got to know him for part of a day. He was an amazing man to be around for the little time we shared and I am sorry for the loss to everyone.
