Happy Birthday Vae . We Miss you down here . Remember 8th grade 1st period? We always laughed in there . It's crazy how the last time I saw you was at a basketball game . I wish we were closer . I wish I could have helped you through whatever demons you were battling . Now I pray you're sitting with God up there looking over me . I love you Nevaeh Lopez .

Always had a sweet smile on her face. She had a beautiful voice too. She just had a sweet disposition. She swam her with her younger sister Izzie and had the nicest manners. Always, hugged me. Gonna miss her smile and hugs. Prayers and peace.

Nevaeh - The moment you walked into the dance room, you always had a smile on your face! Each class you always greeted with such ease, you performed your best and never gave up! I think I lost count of how many times you came into my office for a Snickers or Twix! You are truly missed, but I know you are dancing with your lord and savior! May you be at peace and may God continue to keep, comfort, and give strength to you and your family!!!Mr. Latson
