# Morgan McDougal

NOV 9, 1990 - MAY 30, 2020

## Celebration of Life

A beloved daughter, granddaughter, sister, aunt, niece, cousin and friend, Morgan Kathleen McDougal, was born on November 9, 1990 to her loving parents, the late Jimmy Lee and Jennifer McDougal. The second of four siblings, Morgan accepted Christ as her Lord and Savior at an early age. On May 30, 2020, Morgan left this world after a long-fought battle with Non-Hodgkin's Lymphoma, and now presides in Heaven as a beautiful new angel.

Morgan was well loved and believed in celebrating life and living it to the fullest. She loved to travel, being with friends and hosting family gatherings. She graduated from Duncanville High School in 2008 and was able to follow in her late father's footsteps by starting her professional career with Dallas County Tax Department as a Property Tax Clerk working part time and then later to full time, where she remained for over 10 years. Morgan was well known for her awesome baking skills and in 2013 she graduated from The Art Institute of Dallas and earned an Associate's Degree of Applied Science in Baking and Pastry. She started her own baking business, "Morgan's Sweets" and made some of the best pastries around, including catering the Annual DFW Tougaloo College Alumni Christmas party and many other events throughout the city. Morgan planned to build on the success of that business and live out her childhood dream of a full-time chef. She often expressed her ambitions in starting her own food truck named "Jimmy Mac's" in honor of her late father Jimmy.

Morgan is preceded in death by her father, Jimmy Lee McDougal Jr., grandparents, uncles, and aunts. She is survived by her loving mother, Jennifer; siblings, Matthew, Mallory, and Miles; niece, Sophia, and a host of aunts, uncles, cousins and friends.

Morgan will be deeply missed, however her amazing spirit will remain in the hearts of those who knew and loved her. Morgan showed tremendous strength, resilience and remained positive

throughout her battle with cancer. Her dreams and ambitions will forever live through those who loved her dearly, but now her soul may rest with her Savior.

I miss you Mort, i still can't get over that I'll never be able to walk in your room and talk to you, or give you a quick phone call and chat with you about anything. Like any family, we fussed, we argued but I would do anything to just have you back here with us. I know it's the end of the year but I can't forgive what cancer did to you. I know you're in a better place but I want you here, we already lost dad it wasn't supposed to happen like this. If i could give my own life to have you back here i would, i truly wish i could. I'll never stop missing you nor forget about you. You were supposed to see Sophia grow up, we had so many vacations ahead, you had an entire life ahead. I think about you everyday and pray about you and pops everyday but this heart can't leave my heart and i don't think it ever will. This life don't even feel right without you here. Damn i miss you sis

My name is Sandra Kay Booker. I am Ira's aunt. I just want to say Morgan came into our family like a beautiful little butterfly! From the very first day of meeting her she seemed as though she was born into our family. Whenever we saw Ira we knew we would see Morgan and she won over the entire family by just being who she was. She always showed love and kindness to all of us and was never a stranger to anyone. We could tell she was raised by remarkable people because she was so caring, respectful and had such a sweet spirit that seemed beyond her years. I sure am going to miss her dearly. Morgan and Ira came to our Family Christmas party several times. I remember the first time they came, I didn't make desserts because I ran out of time and planned to buy a few. When they arrived Morgan had baked several desserts to bring and boy did that save the day. I was overjoyed! We can only hold onto the memories but Heaven has gained a Special Angel. God Bless the Family and my nephew Ira. I will be praying for you all. To Be Absent From The Body Is to Be Present With The Lord. Rest Easy Sweet Little Butterfly Love You So Much!!!Aunt Kay

Mort, my tea party pal, and first sibling, I miss you dearly! I'll never forget our incredible childhood memories. From our numerous vacations around the world, to our talks about life, and countless recipe requests. Mom and Dad created the perfect first sibling to have. The ying to my yang. The complimentary introvert to my extrovert personality. While I know you're in a much better place, this earthy place will never be the same without your shining light and infectious smile. Until I see you and Dad again, I love you!Big bro, Matthew Laurence

Morgan, my sister, my Day 1. I can't even begin to put my thoughts into words. This is still so unreal to me. We had so much more living to do, but I know you are in a better place. Back with your dad. Free from all the pain. Heaven couldn't wait for you. I'll love you forever Morgan Kathleen ❤️ -Tam
