Joy, we were such good friends for so many years in California and then continuing on to Oregon. I have such wonderful memories of you and that time in our lives. I'll never forget driving on all the logging roads in your little Volkswagen and coming face to face with log trucks! Yikes, but we survived. Never will forget living on Jones Creek Rd! We all had such a great time! So, my friend, Rest in Peace! I'll see you again on the other side! Love you, Patty
