## O ur Beloved Mother Theresa

Theresa "Akua Afriyie" Boateng passed on June 2, 2020, to be with the Lord Almighty. Born September 30, 1960, in Kumasi then immigrated to the United States in the '80s. She was a proud mother of five children, two grandchildren, and was preparing for more additions to her family tree. Her love spread like a wildfire to all who were blessed to experience her presence on this earth. As a beloved mother, sister, daughter, friend, colleague, business owner, prayer warrior, and ordained minister; Theresa was loved by many and adored by all. She was a true living blessing led by God's ordained steps.

We truly love and miss you dearly! Know that your legacy will live on forever within us as we strive to walk the path you have shined your light upon.

We've lost a wonderful lady, a great mother, and a woman of substance who feared the Lord. Her love and prayers for others, her sympathy and compassion, all worked together so others may have their needs met. But we know she is resting in the Lord after doing so much with the 60 years of life God graciously gave her. Rest well MAA.

I worked with Theresa at North Texas PD/C facility in the same work area(Culling) for 3 years.She used to make coffee for the employees in the unit but she won't drink coffee. One day I asked her why and she replied that she was not comfortable drinking coffee.She said that she used to attend phone calls in the morning to pray for her church members and others. She was prayerful, kind and with a smile.I do convey my heartfelt condolence to her family.Wilson J.

I worked with Theresa at North Texas PD/C. We were never on the same shift, but our paths always seem to cross. No matter if it was as I was coming in and she was leaving, she always greeted me with a smile and we talked. She would listen intently as I told her about my time in The Army. She said I was a strong woman. If we talked about sad or unfortunate situations, she'd always say, Minnie we need to pray. That always pleasant smile is now Gracing Heaven.

Mom - The privilege is mines to have called you mother. You instilled the fear of God, you loved unselfishly and you were the prefect example. I am glad we were able to celebrate you while you were alive. Because of you each of your five children can stand and go forward. There are no words to express my love and respect for you. Nothing can fill the whole you leave. - Thelma (Your oldest daughter).
