Don-Nika Lasha Wilburn

NOV 18, 1977 - JUN 20, 2020

On June 20, 2020, God picked another beautiful flower from his garden. That flower was Don-Nika Lasha Wilburn. She is known to her family and friends as “Sha Sha.” She was born on November 18, 1977 to the parentage of Donn E. Wilburn Sr. and the late Ellen S. Wilburn.

In 1996, she completed her secondary education at Yvonne A. Ewell Townview School of Health Professions. Her higher education included El Centro College and the University of Texas at Arlington where she completed a Bachelor of Science in Nursing degree. She began working as a registered nurse and was known for supporting her patients when needed and for being a face of caring.

During her time on earth, she enjoyed nature, gardening, and music. As an avid listener of Pandora, her favorite station was J. Cole. She also loved her family and friends.

Fond memories of her will always be remembered by her survivors and friends: father, Donn E. Wilburn, Sr.; brother, Donn E. Wilburn, Jr. (Lisa); sister, Ta-Tanisha E. Matherson (Aaron); three nephews, Demarques Wilburn Sr., Elijah Nobles, and Demarques Wilburn, Jr.; five nieces, Clarissa Wilburn, Tashailah Brown, Tajia Brown, Sophia Wilburn, and little Ava Crapanzano, and a host of relatives and friends.

I’m Free

Don’t grieve for me now, I’m free
I’m following the path God laid for me
I took His hand when I heard Him call,
I turned my back and left it all.
I could not stay another day;
To laugh, to love, to work or play
Tasks left undone must stay that way

Don-Nika Lasha Wilburn

NOV 18, 1977 - JUN 20, 2020

I found that peace at the close of day
If my parting has a void,
Then fill it with remembered joy.
A friendship shared, a laugh, a kiss
Ah! Yes, these things I too shall miss.
Be not burdened with times of sorrow, My life
I wish you the sunshine tomorrow.
My life's been full, I savored much,
Good friends, good times, a loved one's touch.
Perhaps my time seemed all too brief;
Don't lengthen it now with undue grief.
Lift up your hearts and share with me,
God wanted me now.....He Set Me FREE!

What a sociopath. She murdered my childhood bestie & neighbor a wonderful man that everyone loved and she loathed that. Donnikka unalived herself & yes from the firey pitts of h3ll she was condemned to stay forever.. he didn't want your toxic evil self, so she took matters into her own paws... later she unalived herself & Earthly justice was served.. but the wrath of my God says.. he has just begun.. Donnikka was always weird & obsessed.. the victims family she took away from Earth may miss him dearly, but they are thriving & living in peace.. they dont have the stigma that Her family has.. what a loser she is & was. Just pathetic! Glad she offed herself,, hope it hurted. Blessings to the victims family she took away. He in heaven & she in the pitts of h3ll casted forever.

I see my last comment was removed just like yal lost her she took my father from me & his grandkids and his parents. So I could careless about my comment being removed I'll forever post on here to let it be known why she killed her self! It ate her up I know it did. & she did it on my wedding day . What a coincidence but god has his own way of dealing with MURDERS & ppl that commit SUICIDE. Everyone knows that.

Sybau that bald eagle has landed burning in fire forever . Should of took you with her instead of murdering a god fearing man who disliked her to the core cause of her evil ways

We let the dead bury the dead and we have power over darkness and light, so you have absolutely no impact here. Stay in your struggle and allow it to pain you so much that you miss out on your own life and allow your misery to cause suffering to everyone that you mention in your post. If the GOD that I serve sees it as just, so shall it be!

Thank you for being one of the first friendly faces for a freshman, scared to death of my first day in high school, overwhelmed by everything, needing a smile just to know I could make it and she was where it was found. We will miss you here, but rejoice in knowing you have found complete healing, glorified transformation and a Savior waiting to say "well done, good and faithful servant." God bless and comfort all family and friends as we process her loss and cherish her memory.
