FEB 2, 1959 - JUL 10, 2020

**S**afely Home  
I am home in Heaven, dear ones;  
Oh, so happy and so bright!  
There is perfect joy and beauty  
In this everlasting light.  
All the pain and grief is over, every restless tossing passed;  
I am now at peace forever,  
Safely home in Heaven at last.  
Did you wonder I so calmly trod the valley of the shade?  
Oh! but Jesus' love illumined every dark and fearful glade.  
And He came Himself to meet me  
In that way so hard to tread;  
And with Jesus' arm to lean on,  
Could I have one doubt or dread?  
Then you must not grieve so sorely,  
For I love you dearly still  
Try to look beyond earth's shadows,  
Pray to trust our Father's Will.  
There is work still waiting for you,  
So you must not idly stand;  
Do it now, while life remaineth  
You shall rest in Jesus' land.  
When that work is all completed,  
He will gently call you Home;  
Oh, the rapture of that meeting,  
Oh, the joy to see you come!

I worked with Pamela on the J Cluster at Amazon. I was very sadden to hear about the passing of Pamela. She was a very hard worker at Amazon. One day it was pouring raining at work and I had a nice walk to my car, she offered me and another co worker a ride to our car to keep us from getting really wet. I told Pam if she ever needed anything to let me know. I never got a chance to return the favor. Just wanted to let her family know this. My prayers go out to her family during this time.
