Hunn I just talked to you the other day and I still can't believe this has happened. I keep expecting to get a message from you. It's so crazy and unreal.

We grew up together. We played with Derek Lilly in the streets. We went to each others houses. You and my dad messed with cars. My family always called you "little darrell" because my dad was Darrell too. Please say hi to him for me. This blows.

A amazing dude . Loved cars and learning new things to do with them. Always was a great friend . Love you bro. He showed me alot about customization to my eclipse. We had a blast. We went to the mall and just acted Goofy. I will always remember him as a good friend he always listened to me when I was at the lowest part of my life this dude was strong. You will be missed brother.
