Byron Keith Alfred

APR 13, 1973 - DEC 11, 2020

B yron Keith Alfred was granted his angel wings on December 11, 2020, after a brief yet difficult battle with an aggressive cancer. His final days were spent surrounded some family and friends. Byron's life would seem too short to many, but those who were touched by him understood that the quality of existence far exceeds the quantity of time in which one lives. Byron had a contagious smile that lit up the room and always had something sarcastic to say along with that big smile. He loved the San Francisco 49 niners, driving fast, cooking, spending quality time with his family. He was a provider, a mechanic, a hard worker, a good friend, a mentor, and a great father to his kids. If you needed him for anything he was there. He did not care what it was, he would make the effort to help. That was him Mr. Fix it.....He leaves all of us with fond memories and so many good times. We shall cherish them in our hearts forever. He will never know how much he really meant to all of us and how much he will be missed. When you think about Byron, just play his favorite song: Tennessee Whiskey.... We love you and will never forget you. Until we meet again CMB we all we got! He leaves many to celebrate his memories. Byron born on April 13, 1973 and is survived by his loving mother Diann Landry and father Charles Alfred, oldest daughter Yamayah, youngest daughter Jakiya, son Chris, sister Monica, brothers Devin and DJ as well as a host of cousins, nieces, nephews and loving relatives and friends.

My Byroony. I still can't believe this is real. You were truly the definition of the brother I'd always wanted. Your humor, your love of family was truly something special. I'll always hold dear, the talks, the laughter, the love, hugs, and that smile. I'm so blessed to have met you, Byron Keith Alfred. You were a rare gem. Take your rest, brother. I love you and thank you for the love shown towards me. To the family, I love you and pray your strength.
