Many memories of Paige. She was always such a bright light. She loved her kids with every ounce of her being. My favorite memory was how much she loved my mashed potatoes! She asked me hiw I made them. I said I peel them, boil them and mashed them with butter and milk. She said Dawn used boxed! (Sorry Dawn, but nooo!) And anytime I make them..EVERY TIME I make them, I think of her! Love you sweet girl!

May god wrap his arms around those babies during their time of grief. My god some how bring comfort to her parents. I could never imagine how it would feel to lose a child so suddenly. Sending love and prayers from Paige's Saia/LinkEx family. Although we we're only able to know each other by phone and email, Paige was part of our work family. She absolutely loved her role and made a difference every day, including just adding a smile in the most stressful of freight times. Bless her heart and soul, condolences to her family and friends, a huge loss for this world.
