Cynthia Diane Taylor was born May 24, 1953 in Fort Worth, Texas to the union of Pauline Cook and Clyde W. Wallace. She was educated in FWISD and was a proud graduate of I.M Terrell High School. She attended Texas Southern University where she met her lifelong husband and former TSU track star and U.S sprinter Robert E. Taylor. She joined Mount Olive Baptist Church and remained a loyal and faithful member until she was called home by our Heavenly Father.

She is survived by her faithful and loving husband of 45 years, Robert E. Taylor of Mansfield, Tx , daughters Crystal McGruder (Bachary) of Mansfield, Tx, LaKesha Harden (Gregory "Gregar") of Mansfield, Tx, Chvonne Taylor of Mansfield, Tx , son, Phillip Tanner of Mansfield, Tx; affectionately known as Ma-Ma and Nanny by her grandchildren Taylor and Payton McGruder, Brandon, Nyomi, and Collin Harden. Goddaughter, Antwanique Thomas of Cedar Hill, Tx.

She is also survived by her father Clyde W. Wallace of Ft. Worth, Tx; brothers Kenneth Carr of Ft. Worth, Tx, Clyde C. Wallace (Paula) of Arlington, Tx, and a host of nieces and nephews, other relatives, and friends, with whom she had a special relationship, that will miss her dearly.

With deepest sympathy to Robert and his family for the loss of their loved one, Cynthia. May the love of God surround you and comfort you at this time of sorrow. We've been neighbors for over 15 years, and I shall certainly miss Cynthia waving, 'Hi' to me when I would be out working in the yard.

I had the pleasure of knowing and working with Cynthia for the past 20 years; and, over those years, Cynthia became like family to me. She watched both of my boys grow up from birth, and she would gush over them every time she saw them just like family would do. Cynthia was a good-hearted person and a caring soul - even if she disagreed with you, she would wish you well. I always looked forward to our chats, she would start off by singing my name, "oh, Laurie, Laurie, Laurie...", and her head would shake from side to side, as if to say no, no, no. Then she would laugh, and then I would giggle back at her. This is how we started almost every conversation! I always had to check in with CT to see what she was wearing. I called her the "office fashionista" since she could dress up a pair of scrubs with matching tennis shoes like no one else! I would always tell her how good she looked and she would jump out of her chair, put one hand behind her head, and the other on her hip and say, "you know I can't be wearing any old boring scrubs, Laurie!" and then she would flash that smile. CT was such an integral part of our office, a dedicated employee, and a friend to all of us, that we will forever feel a void not having her with us! I have been told that CT will rest in a spot across the street from our office. It just so happens that my office window looks over the cemetery. Every morning when I come in, I intend to look out across the street, and check in with my friend - ask her how she is doing, and what she is wearing to make all of the other angels jealous! My deepest condolences to Robert, Crystal, Chvonne, LaKeshia, Phillip and the rest of Cynthia's beloved family. May you all find comfort in knowing how many lives were touched her beautiful soul. My heart skipped a beat when I saw Cynthia's name on the bereavement list this on Sunday morning during church services. I have known "Cynt" for over thirty years and considered her to be a good friend. When we talked, our conversations were always long, fun and full of laughter. She welcomed me to the Taylor family with open arms. She loved her family dearly! I could always count on her to get me scheduled for medical procedures. When visiting her office for appointments, I made a point to always stop by her office before leaving because I knew she had a drawer full of snacks. Lol Cynt was kind and loving and will be greatly missed by all that knew her. Our private joke was, I called her the "Purse Lady". Her purses were always, big, had something to snack on and had Vaseline (her chap stick) in it. lol When we return to in person church, I will continue to stop by and speak to the family and get my hugs but, I will especially miss getting the smile and big hug from Cynt. as I go to the choir room. Rest In Peace my Purse Lady! May God Bless and keep the family, comfort and give you strength. She is now smiling down on you and that you will forever carry her memory in your hearts, Look up! Peace Blessings and Love, Sheila McLeod

I also knew her as CT. She and my mother worked together for longer than I could remember, and always had a hug, a smile, and a joke for me whenever I came to visit their office. I'd always considered her as family, and even though I never expressly said it, I think she knew, because she treated me like part of hers. I'll never forget that, or her.

I knew her as CT, my mom's (Karen Vaughn) friend and co-worker. I saw her at least weekly from age 15-19, when I relied on her kind hugs and authentic laughter. Whenever I would be home from college or living abroad, I would make sure to visit CT at the office to say hello. One time, I was probably 24, I showed up and she just paused, looked at me in the face and said "wow, look at you, you are a man now aren't you?" For some reason, that really marked a chapter in my life. She saw me. She named the thing that was hard to name. I know she was my mom's close friend and confidant for those and many more profound gifts she had. She will always have a special place in my heart. I am shocked and saddened. All possible love and grace to everyone grieving her.
