Debbie Whiskin

MAR 5, 1970 - FEB 24, 2021

Debbie Whiskin, the most amazing mom, wife, sister, friend and daughter passed away unexpectedly on February 24, 2021 at the age of 50 years old. Debbie is one of six siblings and was born in Michigan on March 5, 1970. She is survived by her two kids, Lexi & Chris (Heather), who were her entire world, as well as her parents David & Linda, her husband Bernard & step-daughter Landrie, and her siblings Michele (Lance), Lisa, Dave (Mindy), and step-brothers Joe & Sean. To say the least, Debbie was steadfast and determined; over the years, she held prominent positions at both Verizon followed by Texas Health and Human Services. She devoted much of her time to her family and closest friends. She enjoyed cheering on the Cowboys every single Sunday, as well as playing juice jam and trying her hand at new recipes. One of her favorite hobbies was fishing with her father, David.

Preceded in death by her loving mother Shirley Jean Gehrett, Grandparents Ken & Ruby Gehrett and Don & Ruth Whiskin. She was loved by her many aunts, uncles, nieces and nephews.

Her family is appreciative for all of the love and prayers that were sent their way.

My heart breaks for your family and friends, because we all know you are in the Kingdom. So my prayer is for your family and friends that you so dearly loved."In this sad world of ours, sorrow comes to all. Perfect relief is not possible, except with time. You cannot now realize that you will ever feel better."And yet it is a mistake. You are sure to be happy again. To know this, which is certainly true, will make you some less miserable now. I have had experience enough to know what I say, and you need only to believe it to feel better at once." -Abraham LincolnYour mother, wife, daughter, and friend is and was an amazing person that will always be with you. May G-D comfort you.

My deepest condolences to Linda, Dave, Bernard, Chris and Alexis and all of the family members. May the love of God and the love of Jesus hold you up on Eagle wings and give you strength and courage to get through this heartbreaking time. I met Debbie and Bernard last year and I immediately liked them. Debbie was beautiful like her mom and I was looking forward to spending time with her in Florida this winter. That was not to be because of Covid. I will remember Debbie as a beautiful and kind woman. God bless you Linda and Dave. Love and hugs are with you always.

Debbie was a loyal friend to me. I had worked with her in the past, but this last go around somehow we hit it off and never looked back. I will miss her pretty smile, our many conversations, day and night, weekday and weekend. We had plans like many other people make, but we won't see them through. But that's ok, I cherish the time we had. Even through the shock of it all, I'm at peace knowing she is with her Lord and Savior, Jesus. I know this because we had many conversations about Him. Debbie, I missed you from the moment I found out you had crossed over into life everlasting, but I am comforted in knowing I will see you again. It's hard to end this tribute because as I type, I feel like we're talking and it's comforting. However, rest easy and peacefully my friend, for all is most certainly well with you. Love your friend Jackie B
