In Loving Memory of our Sister Brenda was a blessing in my life and her memory I will treasure for ever. She was loved beyond words and will be missed beyond measure. She was your companion in life and now an angel by your side. Losing someone so special is truly one of the deepest heartaches one can bear. Remember that those we love don't go away. They walk beside us every day. Unseen, unheard but always near. So loved, so missed and very dear. Till memories fail and life departs, Brenda Joyce will live on forever in your heart. Love Phyllis and Family

My beloved Sister Home is where you can be vulnerable without any fear of disapproval, you can relax feel the comfort of silence without fear of rejection or criticism. Home is where your soul is free where you can be yourself. Sis you are home now, so you run, jump and dance in the daisies you are free. There has never been a time when the miles that came between us have not been bridged by the closeness of our hearts. Missing you, love you. Your little sis Neta

Our earthly loss is always a heavenly gain. Although our hearts hurt and mourn inhumanly pain. The fact still remains the same. That Heaven Has Gained more love. To sprinkle down from above. "Gone yet not forgotten" Johnston M.
