We moved to Arlington from Oklahoma in 1982. We knew no one in the city. We rented a house & quickly made friends with our neighbors. (Maria & Linda) relatives to Virgle. They introduced me to Virgle & she immediately took me under her wings like family & was instrumental in getting me hired at LTV. We rode to work together, riding in our run down cars, shared our lunches & she taught me how to stretch my money. We even how a bet on which one of us could make \$5 last all week. I look back as the best memories. She was always helping people. I will miss her dearly. My condolences go out to the family & all her friends. She was an angel amongst us

Upon my family and I are moving to Arlington, we were met with welcoming open arms (from all the sisters), sharing hugs, laughs and many get-togethers. I will look back fondly, also remembering her patient, listening ear. My heart and prayers go out to my niece in-laws family, she will not be forgotten

My condolences go out to the family. Virgle will be sadly missed. I remember years ago Virgle and I would go to garage sales on Saturday mornings. She was sweet in making people feel welcome. Virgle was my witness at my my marriage. She had a cake for me I took my wedding pictures at her home. She made it a memorable occasion for my spouse and I. Virgle was a great friend and I will miss her.
