Linda Darnella Bracey Carter

AUG 7, 1948 - AUG 6, 2021

LINDA DARNELLA BRACEY CARTER was born on August 7, 1948, in Hoffman, North Carolina to Samuel Bracey, Jr. and Lillie W. Blue. On August 6, 2021, God stretched out His arms, told her job well done and brought her home to celebrate her 73rd birthday with Him.

Linda obtained her childhood education at Beaver Dam Elementary School in Hoffman and graduated from Mineral Springs High School in Ellerbe, NC in 1967 where she was a star basketball player. She then attended North Carolina A&T State University in Greensboro, NC where she met and ultimately married, Jesse Carter. She did not complete her collegiate studies as his military service to the US Army had them relocate to Okinawa, Japan in 1970 where he was stationed for a little over a year.

Upon returning to the United States, Linda began working for The Equitable in 1971. She worked there for 43 ½ years until retirement in 2015. Using her athletic talent from her younger years, Linda actively participated on the company's Basketball, Softball and Bowling leagues. Taking the position of Regional Compliance Officer afforded Linda the chance to relocate to Texas in 2009 to be closer to her grandsons and their many activities.

While working full time, Linda resumed her education at The American College, obtaining the designations of ChFC, CLU and FLMI, culminating in being awarded a Master of Science in Financial Services in May 1998.

Linda LOVED to travel, was Tiger Woods' #1 fan and in recent years, took a keen interest in politics becoming a Volunteer Deputy Registrar to channel her passion. She enjoyed connecting with friends and family through texts, calls (phone and Zoom) and social media. She rarely missed an opportunity to give a Happy Birthday shout out or Holiday Greeting.

Linda was an amazing mother, a "favorite" mother-in-law, a loving and supportive G-Ma / GG-Ma, a protective sister, a faithful volunteer, a competitive golf buddy and a kind friend to many.

Linda Carter (or "Carter" as I affectionately called her!) was one of a kind. My friend, my roommate 30+ years ago when we both played softball for the Equitable Life softball team in NYC. She was funny and crazy and we became good friends. I will always have great memories of great conversations and lots of laughter. She was a great person and an amazing athlete. Angie and family, so sorry for your loss. Lots of years of good memories for sure!
