He was will ALWAYS BE THE LOVE OF MY LIFE. Your daughter is doing good. She's getting so big and she looks just like you. She has her personality. She has your feet. She has your hands everything about her. Reminds me of you and I really wish you were here to see her. Not a day goes by that I don't think about you not a day goes by something reminds me of you especially whenever I see a Dodge charger. I love you with my whole soul rest easy baby.
